

## **2009 IVCC-LPO Alumni Association Hall of Fame**

The Illinois Valley Community College Foundation and Alumni Association inducted the first 25 members into the college's Hall of Fame Jan. 26, 2008. The Hall honors the college's most distinguished former students, faculty, staff and friends.

The Foundation office welcomes nominations for the Class of 2009 until Feb. 27, 2009. In March, a selection committee will choose new members of the Hall and their names will be announced in April.

The focus of the "Hall" is to honor the academic, fine arts, athletic or career achievements of alumni during their years at IVCC or LPO or in their personal or professional lives. In addition, the Hall recognizes individuals who may not have attended the college but who made a significant difference in the lives of students through their service or generosity to the college.

In addition to recognizing the individuals, the Alumni Association hopes to inspire and enlighten current students and create a culture of achievement and excellence. We hope that today's students will aspire to one day be inducted into the Hall.

Nominees must have earned national, state or local renown for their accomplishments.
